

Ideal For Home & Travel

Lightweight & Portable!

Includes dual purpose cleaning and travel case for at home or on the go sanitizing!

Easy To Use

Long lasting rechargeable lithium-ion battery with USB charging adapter.

Maintenance Free

No additional pre-wash solutions, filters, or replacement bags required!

Purify O3 Makes Sanitizing Easy!

1

Attach mask & tubing to Purify O3. (Surface clean with damp cloth to remove residue.)

2

Place mask/tubing assembly and Purify O3 in case. Press and hold button to start, zip case shut.

3

After 35 minute cycle, unit will auto shut off. Let rest for additional 90 minutes to allow ozone to dissipate.

REST EASY WITH

Purify O₃

Simplifies Daily Mask Cleaning

Wipe residue from mask, push button to activate cleaning cycle, and zip mask and Purify O3 into provided sanitizing bag.

Why Sanitize With Ozone Technology?

Natural: Activated oxygen, known as ozone (O₃), is a naturally formed gas and is widely used as a disinfecting agent in a number of industries world-wide.

Effective: Purify O3 provides hospital grade sanitation and quickly, permanently kills 99.99% of viruses and bacteria.

Affordable: No pre-wash, replacement bags, or extra filters required. Purify O3 includes all you need to sanitize your device in one affordable kit! HSA/FSA Eligible.

Disinfect With Just The Touch Of A Button

Simple, Easy To Use Controls: One button push to start with automatic shut-off.

Quiet, Worry-Free Cleaning: Whisper quiet design, audible alert when cycle is complete.

Universal Design: Fits all 22mm CPAP/BiPAP equipment and masks.

Safe & Effective: Provides hospital grade sanitation in just 35 minutes. FDA Registered.

All-In-One Solution

Patient friendly sanitizing kit includes Purify O3, storage/sanitizing case, charging cable, and tubing adapter.
